

Creating resilient cities with Nature

Rebalance
Earth

Thursday 17th October 2024
ULI C Change Summit 2024

“Too much”

“Too little ”

“Too dirty ”

Carlisle, UK 2015

Day Zero, Cape Town, South Africa 2018

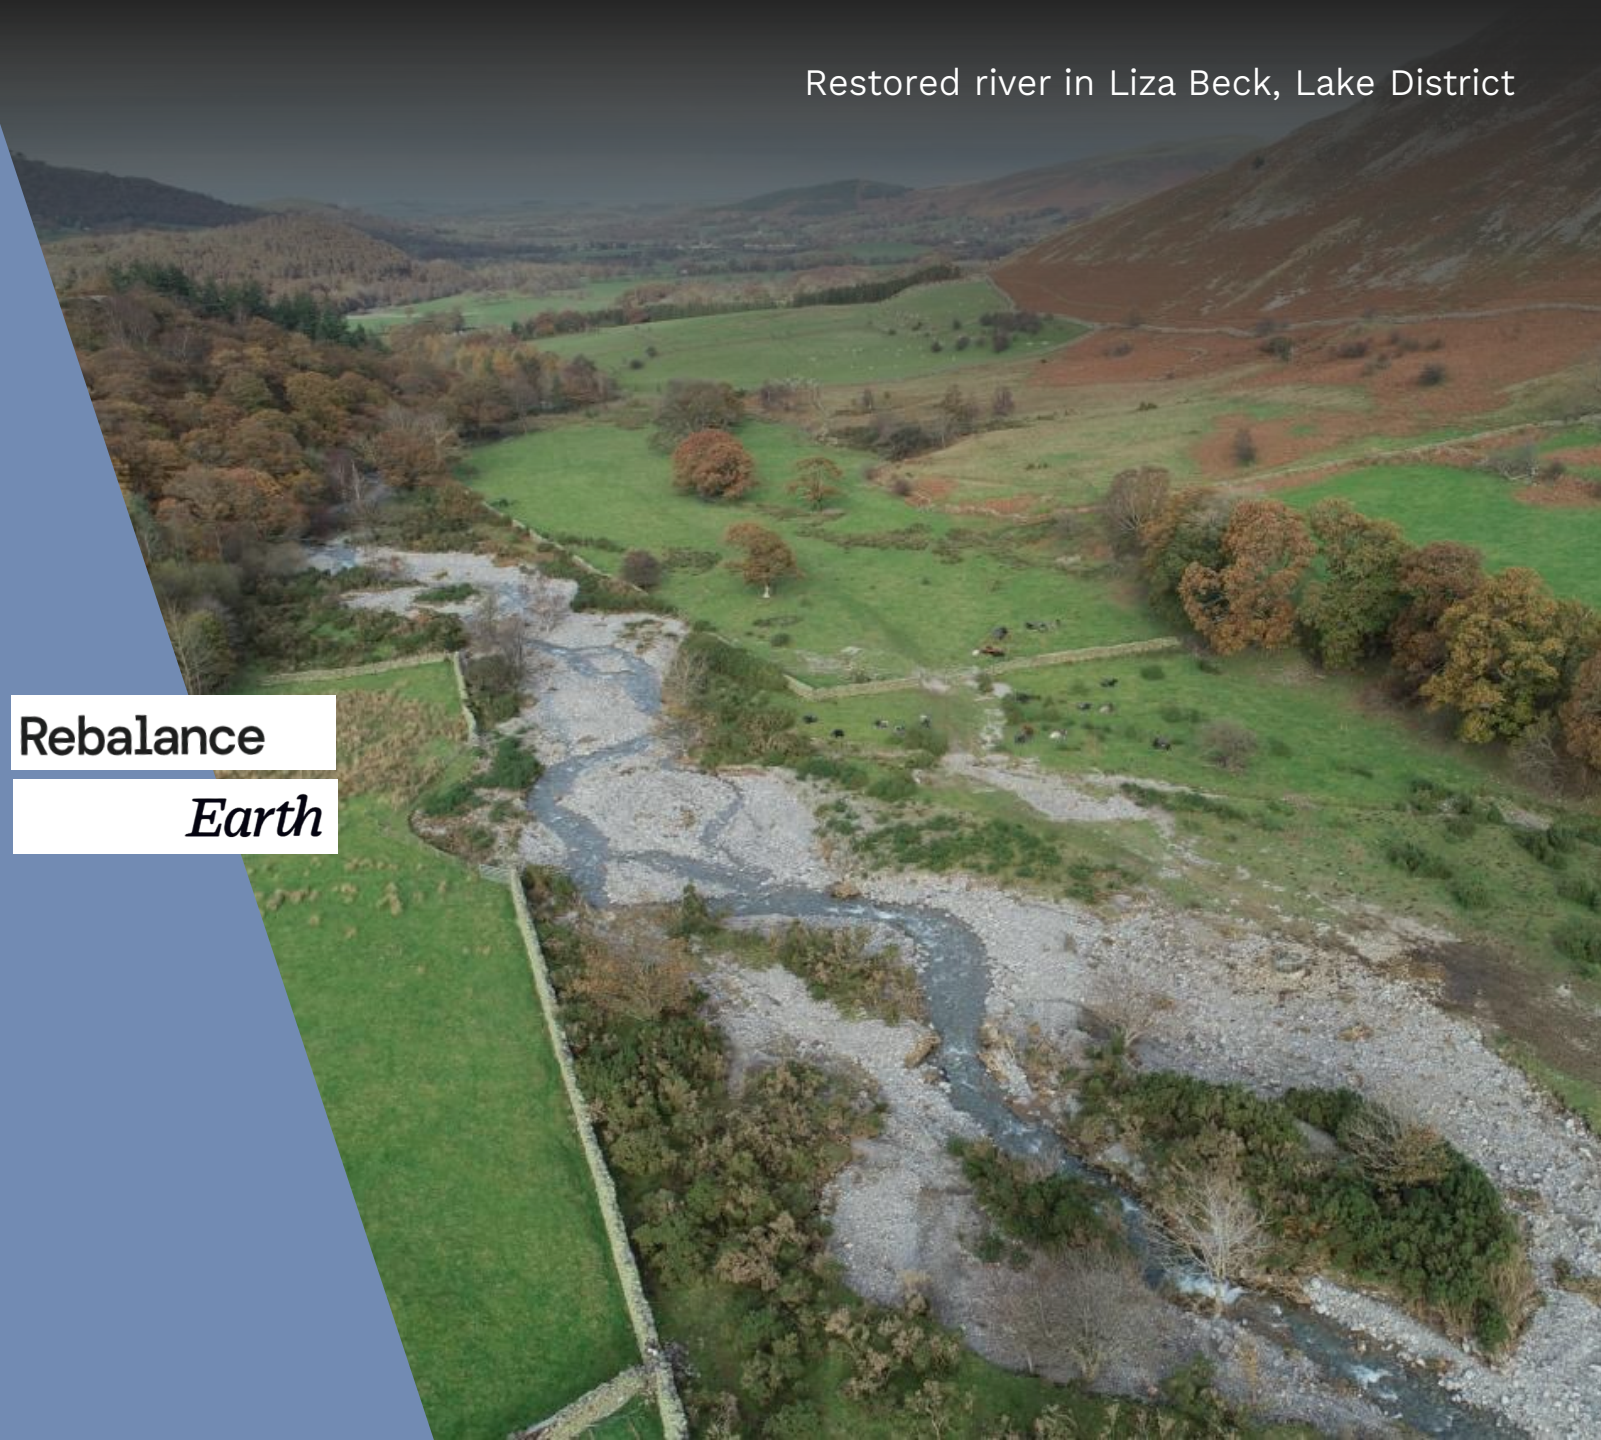

Paris, France 2024

Nature is part of the solution to building climate adaptation and resilience.

Rebalance

Earth

River Kissimmee, Florida USA

Hangzhou, China

Nanning, China

Let's create a world worth living in...
