One Community at a Time

Date: December 19, 2017

| 00:00:22> 00:00:24: | Now the history of this state, |
|---------------------|---|
| 00:00:24> 00:00:28: | and certainly this city, is one of people who have |
| 00:00:28> 00:00:30: | built out of nothing. |
| 00:00:33> 00:00:37: | I remember passing the Murrah building a few minutes before |
| 00:00:37> 00:00:38: | 9:00 o'clock, |
| 00:00:38> 00:00:41: | saw the Ryder truck sitting there and did not think |
| 00:00:41> 00:00:43: | anything about it. |
| 00:00:43> 00:00:48: | A few minutes later, there was this tremendous explosion we |
| 00:00:48> 00:00:50: | knew something. |
| 00:00:50> 00:00:54: | Incomprehensible had a curd. |
| 00:00:54> 00:00:56: | Those 168 chairs, outside or not, |
| 00:00:56> 00:01:00: | tombstones their representative. The lives taken from us too soon. |
| 00:01:17> 00:01:21: | Rebuilding downtown was one of the things we could do |
| 00:01:21> 00:01:23: | basically to fight back. |
| 00:01:23> 00:01:27: | One of the things that I would attribute the success |
| 00:01:27> 00:01:30: | of Oklahoma City to is the Urban Land Institute, |
| 00:01:30> 00:01:34: | the Urban Land Institute brought a fabulous team to the |
| 00:01:34> 00:01:36: | city of Oklahoma City. |
| 00:01:36> 00:01:38: | Out of that effort grew a. |
| 00:01:38> 00:01:43: | Terrific report that had some very incisive recommendations about how |
| 00:01:43> 00:01:46: | life and vibrancy might be restored to the core of |
| 00:01:46> 00:01:47: | Oklahoma City. |
| 00:01:47> 00:01:51: | There are a lot of great districts in and around |
| 00:01:51> 00:01:53: | downtown Oklahoma City, |
| 00:01:53> 00:01:57: | Automobile Alley being the old dealers row from the teens |
| 00:01:57> 00:01:58: | through the 40s. |
| 00:01:58> 00:02:01: | This memorial district and the Arts district. |

| 00:02:01> 00:02:04: | Those buildings which once went unnoticed. |
|---------------------|---|
| 00:02:04> 00:02:10: | Our offices, restaurants, bars. We've literally watched the city transform. |
| 00:02:10> 00:02:13: | The vision was backed by commitments, |
| 00:02:13> 00:02:16: | public and private, small and large, |
| 00:02:16> 00:02:20: | usualy enabled us to shape that vision. |
| 00:02:25> 00:02:27: | Oh my God, father is Jewish. |
| 00:02:27> 00:02:32: | He owned a furniture store here on Broadway and My |
| 00:02:32> 00:02:34: | God mother's Polish. |
| 00:02:34> 00:02:37: | I don't see color would never raise to see color. |
| 00:02:37> 00:02:38: | All of us bleed red. |
| 00:02:41> 00:02:44: | When you talk about the East side of Buffalo, |
| 00:02:44> 00:02:47: | we have been the forgotten ones. |
| 00:02:59> 00:03:03: | Broadway Fillmore Business District was one of the most hopping |
| 00:03:03> 00:03:06: | business districts in the City of Buffalo. |
| 00:03:06> 00:03:08: | You had all those big big huge stores. |
| 00:03:08> 00:03:13: | Every light on this street had a house on it. |
| 00:03:13> 00:03:16: | We're going through a modest revitalization all over the city, |
| 00:03:16> 00:03:19: | but the East side is probably one of the last |
| 00:03:19> 00:03:19: | places, |
| 00:03:19> 00:03:22: | and people have called it the last frontier. |
| 00:03:22> 00:03:24: | It is the poorest part of the city. |
| 00:03:24> 00:03:27: | Think they've been neglected over the years. |
| 00:03:27> 00:03:30: | Dozens and dozens of these factory buildings lie in waiting |
| 00:03:30> 00:03:32: | for the next developer, |
| 00:03:32> 00:03:35: | entrepreneur, or other person with creative ideas ready to tackle |
| 00:03:35> 00:03:37: | a great new opportunity. |
| 00:03:37> 00:03:41: | It's not just the bricks and mortar everyones participating in |
| 00:03:41> 00:03:42: | this process right now. |
| 00:03:42> 00:03:46: | Here on East side. We've been fighting for revitalization. |
| 00:03:46> 00:03:50: | No central terminal because we felt that that will spur |
| 00:03:50> 00:03:52: | investment in our community. |
| 00:03:52> 00:03:56: | the UI report was a wonderful mechanism for being able |
| 00:03:56> 00:04:00: | to advance the our restoration efforts here. |
| 00:04:00> 00:04:03: | The powers that be considered community did, |
| 00:04:03> 00:04:05: | but it's not our time is now. |
| 00:04:05> 00:04:08: | Potential is great and we should move on it. |
| 00:04:16> 00:04:19: | Going to the dealer me on. |
| 00:04:19> 00:04:22: | Almost a month and there they were sold as a |
| 00:04:22> 00:04:23: | president Cambro. |
| 00:04:23> 00:04:27: | And doesn't malahan ticket Basava Major Henderson, |

| Ky was Amaro. |
|---|
| The graffiti around here was horrible. |
| 20 years ago there was no murals, |
| you know there was no public art at all. |
| There's a lot that was happening in Denver. |
| Denver was progressing, but there are some neighborhoods that were |
| left behind. |
| You. Align Table lived in this vision. |
| Say hey, let us help you draft this vision. |
| Westwood now. Is in a renaissance. |
| Seelos canvas Kosambi stone in a computer. |
| Carretera Las Cruces para Los Ninos Pasquales who's cruises massive |
| orders I mucho mucho cambio. |
| And this other guy said it's about Amaechi. |
| Now, you know, we don't wanna plan to the kalabasa |
| in lobby. |
| OK I will. |
| What channels are private commuter rail path to Savala message |
| your pajamas? |
| No scammers Tennessee Lucky Comal Olympia Cyrus California El cuatro |
| vientos. |
| If you go out to create this park right now. |
| You see that part packed full of kids families playing, |
| having a good time. Some people remember where that used |
| to be used to be a chop shop. |
| A bar in the trailer park that had been shut |
| down and abandoned. |
| Magnifico, lithium, bastante Cambia Los Santos Westwood different. |
| Whether it's teaching people had a garden, |
| fresh food out of their front yard. |
| Putting in new stoplights to have you, |
| well, I take a snapshot of Westwood interview. |
| People just really understand Westwood for who we are. |
| That report that you Ally recommendation has been gold. |
| |
